MEMORANDUM FOR: Project Director

SUBJECT: Preparation for NSA Support for Base C

1. Attached for your information is a report prepared by [REDACTED] of OCI on the status of special intelligence support for Base C.

2. I believe this is proceeding on schedule.

3. I recommend that [REDACTED] toward the end of this month be sent to the field to firm up arrangements there. We learned in our European experience that his making a similar visit was very useful.
